Attack hills | Kill giants

I ruthlessly trust God in every situation.

I refuse to doubt.

I reject discouragement.

I dream big, pray hard, think long.

The Father says "Be strong. Do the work. I AM with you." Haggai 2:4

I stand my ground and advance the Kingdom.

I resist the enemy.

I fall and get up.

I am a beloved son of God.

I reflect His character - especially when I am *pinched*.

I move forward by Your power me and my persistent hard work. Philippians 2:13 *Persist. Successful people keep moving forward, overcome obstacles, refuse to quit.* Difference Maker ch 5.

I am in you/You

I am with you/You

I am for you/You

This too shall pass

Persist. It is how I win the race, claim the hill country, clear the forest, overcome the giants.

There is more at stake than I can imagine.
